METALWORKS Ceiling Panels – Colours and Finishes

Powder Coat Colours

Electro-statically applied and oven cured, powder coat finishes have a greater film thickness than wet paint applications or products manufactured from pre-painted steel coil, and give a more durable and impact resistant surface. Powder coat finishes are UV stable, do not support micro-biological growth and are easily cleaned.

Wood Effects

Wood Effects combines the attractiveness and exclusivity of a natural wood surface with all the advantages of a metal ceiling.

Light Bamboo

Dark Bamboo

Walnut

Dark Walnut

Cherry

Dark Cherry

Oak

Maple

Light Maple
