

QuietSpace® Panels Velour Finished

# QuietSpace® Panel

Distributed by

# The strong silent type

Quietspace® Panel is a discrete, highperformance acoustic treatment engineered to absorb a minimum of 85% of the sound energy it meets—perfect for reducing reverberation and echo in spaces with high noise levels. Designed to blend into any interior environment, Quietspace Panel is available in black, white, or grey, for more colourful applications it can be laminated or overlaid with Vertiface®.

Quietspace® Panel is made from 100% polyester fibre, with a hard, compressed face and cushioned backing to optimise the range of frequency absorption—available in 25 mm, 50 mm, 75 mm, or 100 mm thicknesses to meet the requirements of your project.

## Features and benefits

- Engineered to absorb a minimum of 85% of the sound energy it meets
- Can be overlaid with Vertiface for a decorative feature
- Broadband absorber

## Applications

- Refined acoustic surface for framed modular office partition panelling
- Can be direct fixed to ceilings and walls as a functional and decorative acoustic panel
- Sophisticated, high-performance acoustic panel for sound control in interior spaces

# Customisation

As creators and innovators, we understand your pursuit of the bold and unusual, the rare and exceptional—the brave, colour-outside-the-lines ideas. Every space you design is unique, therefore, every element—from floor to ceiling—should be tailored to fit. Our customisation tools offer unique avenues for creative expression to help you achieve your vision—all that's left to explore are the boundaries of your imagination.

Our customisation capabilities include Print, Etch™, Groove, Precision Cut, Mould and Press, and Peel 'n' Stick.

# Caring for the Environment

Quietspace Panel is manufactured using 100% polyester fibre and contains a minimum of 45% recycled fibre (from PET plastics). Our products are designed to be recycled at the end of their life too.

We have continual improvement programmes in which we implement a range of initiatives to mitigate the environmental 'hotspots' that we have identified. Our products are GreenRate Level A, Health Product Declaration (HPD), and CDHP Standard certified.

Quietspace Panel is DeclareSM certified to be Red List free and can be used in Living Building Challenge projects. Autex has a high functioning Environmental Management System (ISO 14001) to enhance our environmental performance and contribute to sustainable development.

Declare.
