Rib Clad

Corrugated class

Stack Panel Rib Clad in Western Red Cedar and Hemlock timbers is an exciting profile design featuring a bold, corrugated surface for a unique and dramatic effect. The smooth surface furrows are reminiscent of corrugated iron, but are softened and modernised by the timeless natural beauty of Western Red Cedar and Hemlock timbers. Stack Panel Rib Clad is a daring design that produces dramatic shadows and highlights for outstanding finished results.

Rib Clad is ideal for:

- Commercial foyer's
- Retail Spaces
- Cafés and Restaurants
- Designer houses & apartments
- Hotels and Resorts
- Office fit outs
- Auditorium acoustic linings
- Kitchens & bathrooms
- Feature Walls & bulkheads
- Stair Wells
- Alfresco Areas

Key product features:

- Quick and easy installation
- Interlocking profile for consistent alignment and integrity
- Interlocking tongue has been specially designed to allow for secret fixing
- Outstanding acoustic properties
- Perfectly straight lines and shadows
- High wood density and course texture
- Made from environmentally friendly Western Red Cedar
- Classic design
