STACK
PANEL

Shiplap

Perfect line as far as the eye can see

Stack Panel Shiplap in Western Red Cedar creates a perfect and seamless result that is sure to impress. The boards are designed to produce an overlap, which gives the effect of continuous, uninterrupted crisp lines. An outstanding design for discerning tastes, Shiplap will greatly enhance any building by creating a dramatic architectural flair.

Shiplap is ideal for:

- Designer houses/ apartments
- Architectural buildings
- Residential and commercial external walls
- Hotels and resorts
- Outdoor living
- Internal feature walls

Key product features:

- Quick and easy installation
- Superior thermal protection
- Can be painted, stained or left to grey naturally
- Can be used vertically or horizontally
- Outstanding acoustic properties
- Smooth, flat face, providing a square, straight finish
